Welcome back to the eJournal

This is a short eJournal to remind you to register for our forthcoming meeting. At our last meeting in November, about 60 attendees said they would continue to support the independent Dream User Group, but as yet, only about half that number have signed up for our May meeting.

If you haven't already, please sign up today!

Book your hands-on sessions early as places are limited.

Next Meeting

The next DREAM User Group Meeting will be held on the 10th May 2007 at the National Hockey Stadium in Milton Keynes, starting at 10.15 for 10.45.

The meeting is open to all members. If you haven't renewed yet, please do so now, so you don't miss the opportunity of coming along to the meeting.

Call-up and Registration

Registration forms were sent out on April 4th to the contact who we have noted as your main contact.

If you haven't got one, click [here](#) to download one. If you see a Windows logon after downloading, just click 'Cancel'.

Our fax tends to be off at weekends, so please [email](#) your registration back to us if you're working after hours!

Object

The objective of the DREAM User Group is to provide services to Member organisations using the DREAM accounting system produced by CODA plc. The User Group will provide information and hold meetings, and will make collective representations to CODA and others for the general benefit of the Members.

Subscription

This message was sent to you because your organisation (which is a member of the DREAM User Group) has previously nominated you as an individual member. To unsubscribe, please click [here](#).

Agenda

The agenda for the meeting is still being finalised, but the following sessions have been arranged:

- Dream 3.2 – upgrade issues, UDIs and entities
- Dream 3.3 – overview
- Escrow arrangement for DREAM
- Report 7 update
- Employee Expenses Control
- Online Credit Collection

Hands on Sessions

Five hands-on sessions will be run. Two will be themed sessions:

- Report 7
- Dream 3.2 – UDIs and entities

Three will be open sessions to which you can bring your own concerns and issues. Various users will be around to run these sessions.
