Autumn 2007 Meeting

The User Group will be holding its next full meeting on November 29th. This will be held at Pride Park stadium in Derby.

For directions as provided by the venue click [here](#).

For our advice about getting there and parking, click [here](#) - we visited last week to check the place out.

Click [here](#) for a draft call-up.

News

Do any of you want to share your news? Please email us news or links to interesting news stories.

CODA

CODA have recently appointed a new director of Client Services, Mr Mike McGrail. It remains to be seen whether this change will affect the relationship between CODA and the DREAM User Group.

However, we will as usual invite CODA to come to our next meeting.

Members Updates

Thank you to the 19 members who sent back member update forms. We have updated our contact database accordingly.

Membership Invoices for 2007

In the last eJournal we mentioned the fact that your original membership invoice for 2007 bore an incorrect VAT number. We invited you to 'click here' if you need a copy with the correct number on it. What we didn't do was link the 'click here' to anything. So, let's try again...please [click](#) here if you require a re-printed invoice bearing the new VAT number. The VAT office have asked us to give you this option.

Object

The objective of the DREAM User Group is to provide services to Member organisations using the DREAM accounting system produced by CODA plc. The User Group will provide information and hold meetings, and will make collective representations to CODA and others for the general benefit of the Members.

Subscription

This message was sent to you because your organisation (which is a member of the DREAM User Group) has previously nominated you as an individual member, or because you attended our spring meeting. To unsubscribe, please click [here](#).

Hands on Sessions

The next hands-on session will be held at the next full meeting. We planned a meeting in Redditch, but only two companies could make it, so we'll save the resources for another time.

The topics available at the next meeting will be "BACS and Remittance Advices" and hopefully the perennial "Report 7".

Members' Website

The members' website is now up and running, and so far, 54 individuals have asked for, and been given, usernames and passwords to access the site.

Enhancement Survey 2007

We have only received six enhancement suggestions this year.

It's hard to believe that Dream is that perfect for all of you!

You have until Friday evening (2nd November) to send in any last minute enhancement suggestions.

Dream-compatible Products

There are now three products on the website. Click [here](#) for more details. Please tell us about other products we can publicise to members this way.

Mail Format

If you would prefer your messages in plain text, please let us know by clicking [here](#).
