## Autumn 2008 Meeting

Our Autumn meeting will be held at Warwick Castle on the 20th and 21st November.

Overnight accommodation will be arranged for members at the Holiday Inn in Leamington Spa.

Attendees will need to pay for their bed and breakfast (but see note to the right). We will be paying for the evening meal and some entertainment (format to be announced, but should be to most people's taste).

An outline of the 2-day agenda is here:

<http://www.dreamusers.org/meetings/2008-11.htm>

## Case Studies and Presentations at the next Meeting

Our members mentioned at two previous meetings that they'd like to see more case studies at meetings.

Any member who gives a presentation at the November meeting will have their accommodation bill settled by the User Group.

Members who present a case study will have their overnight accommodation paid for by the User Group.

We are in discussion with several other possible speakers. Please let us know if there is anything you'd particularly like us to arrange.

**Please indicate if you think you will be coming to this meeting (and if you require accommodation) by return email. Detailed joining instructions will be sent out later.**

## Known Problem Reports

There have been two (only two) KPRs since our last note to you. Thanks to Craig and Philip.

Don't forget there is Champagne for the members who post the most KPRs since the last meeting. We might even go mad and buy more than one bottle! We had said that the three members who enter the most KPRs before the next meeting (excluding Mike Booty and John Walton) will each win a **bottle of champagne**.

[Click through now](#) to enter your KPRs.

## Object

The objective of the DREAM User Group is to provide services to Member organisations using the DREAM accounting system produced by CODA plc. The User Group will provide information and hold meetings, and will make collective representations to CODA and others for the general benefit of the Members.

## Subscription

This message was sent to you because your organisation (which is a member of the DREAM User Group) has previously nominated you as an individual member, or because you attended our spring meeting. To unsubscribe, please click [here](#).
